

AMAL & GEORGE CLOONEY - BLACKOUT SKETCH

By Ally Kornfeld

V/O

And now for a day in the life of
Amal Alamuddin-Clooney: activist,
author and lawyer specializing in
international law and human rights
violations and her husband George,
an actor.

INT. GEORGE & AMAL CLOONEY'S HOME - NIGHT

AMAL sits at a table writing a book. GEORGE enters.

GEORGE CLOONEY

Hey Hon! Working on your book?

AMAL

George! Yes I am.

They kiss hello.

GEORGE

How was your day?

AMAL

Pretty intense actually. I had an
advisory meeting with the King of
Bahrain this morning. It looks like
he'll be taking a stance on
corruption soon. Also we now have
evidence that the rules of war were
compromised during the Gaza strip
conflict. I'm taking both sides to
court in June. Oh, and we had a win
for Armenia today, Dogu Perincek
has admitted to the genocide..

GEORGE

Wow.

AMAL

What did you do today hon?

Beat

GEORGE

I pretended I was a lawyer.

BLACKOUT.
